Great opportunity to restore this once fantastic North Berkeley home! Fabulous San Francisco Bay views. 1878 sq. ft. per tax records, all on main floor. Main floor has extra large living room with fireplace, formal dining room and spacious kitchen which opens into pleasant sunroom overlooking the back yard. Master suite also opens into sunroom. Second bedroom and second full bath complete this level. Lots of period detailing throughout. Enjoy the fantastic San Francisco Bay views from the front deck. Extra large basement and garage level. Lots of expansion possibilities within the foot print. Fixer upper, needs new foundation and more upgrading.
